ABOUT PRODUCT

With the Vero 10x Pad, removing stains, smudges, and grime is simple. This pad can clean most solid surfaces of crayon stains, fingerprints, limescale, and rust stains with simply water. This efficient pad works like magic, making it ideal for tidying up after budding artists or simply maintaining the freshness of your sneakers.

Suitable for Education Facilities, Hospitality Venues, Public Facilities, Office Environment, Transportation Facilities, Accommodation Providers, General Domestic Sector & Residential Applications

Directions for usage:- It may be used wet or dry, requires no chemicals or detergents, and offers durable performance. Use of the Vero 10x Pad is not recommended on surfaces that have been varnished or colored walls. Before using, always conduct a small, discreet area test.

MAKE YOUR LIFE EASY

CLEAN LIKE NEVER BEFORE

- ✓ eliminates stains and smudges quickly without the use of chemicals or detergent
- ✓ stains from a range of surfaces are removed
- ✓ The sponge can be utilized like a variety of locations, including the bathroom, kitchen, sink, door, wall, floor, shower, and many more
- ✓ A cutting-edge cleaning sponge that can be used only with water is the Vero 10x pad! It is NOT at all chemically impregnated. It works on any flat surface, including painted surfaces, laminex, glass, plaster, plastic, wood, metal, and fiberglass.
